

BCH MISSION

The mission of Bethany Children's Home is to continue a Christian ministry, begun in 1863, to serve children and families within our care. Using the Sanctuary Model, we strive to provide a safe place of nurture, protection, and supportive care to aid our residents in their self-understanding, growth, and healing toward a brighter, healthier future.

SUCCESS

Bethany has been serving youth from our local community since 1863.

Since then, BCH has helped more than 7000 children face the world with confidence and direct their own futures positively and productively. Our alumni have gone on to make great contributions in their own communities, the world of business, education, law, and the arts.

OUR YOUTH

Each year, more than 300 youth who have been abused, neglected, or abandoned are taking their lives back at Bethany Children's Home.

On a 385-acre, tree lined campus in scenic Womelsdorf, PA these young people heal from their traumas as they live under the nurturing care of house parents in a safe, family environment. Our youth learn to give back to their local communities, while developing their own sense of compassion and empathy.

"Bethany helped me get my life back. Living at BCH, I've played sports and had a summer job. I've lived with people who cared and were invested in my future."
