We invite you to become familiar with the General Synod webpage on the UCC website <http://synod.uccpages.org/>. Your delegates will be reviewing, discussing and voting on resolutions at Synod. They are available at <http://synod.uccpages.org/resolutions/index.html>.

The Conference received a **wonderful** response from PSEC churches for school items for the “Stuff the Pack” UCC-wide mission project taking place at General Synod. We thank everyone for their response to this mission that will bless many young learners.
