

“UCC Disaster Ministries is not always the first to arrive but we are there for the duration of the recovery and are often the last to leave.”

United Church of Christ

What We Do

MISSION:

Responding to the call of our Christ-centered faith, UCC Disaster Ministries supports holistic community recovery, worldwide, by engaging supporters, volunteers and partners to focus on preparedness, emergency relief and long-term recovery.

Domestic Disaster Response

- * *Focus on preparedness and long-term recovery rebuilding in underserved communities.*
- * *Provide support and resources to Conferences and congregations impacted by disasters.*
- * *Train and deploy long-term volunteers for disaster recovery.*
- * *Offer grants to partners throughout the entire disaster cycle.*
- * *Provide disaster volunteer opportunities for mission groups.*

“This last year and a half has been an amazing journey with your organization and your wonderful volunteers. Your people truly have a serving heart. We could not have made this journey without ALL of your help.” -Disaster Recovery Partner

International Disaster Response

- * *Provide lifesaving support throughout the entire disaster cycle.*
- * *Collaborate with partners to engage in underserved communities and to fill gaps in services.*
- * *Engage local leadership to ensure disaster relief and recovery is equitable and culturally appropriate.*
- * *Build capacity of local communities through technical and financial support.*
