## OFFICIAL CALL - SPRING MEETING

Pennsylvania Southeast Conference  
of the United Church of Christ  
Rev. Selina Hamilton, Consistory Secretary

**You are invited!**

**Friday, June 10 - Sunday, June 12, 2016**  
West Chester University, 700 S. High St., West Chester, PA 19382

### **Friday morning and afternoon leadership experience**

Join Rev. Dr. J. William Lentz as he leads a two-part session on "Leading Between the Times." This is a leadership development experience that synthesizes the art and science of managing anxiety while leading, working, and living in a system in conflict. The aim is to help leaders move away from conflict management, which usually increases anxiety. Instead, you will learn how to manage anxiety in yourself and the system you are in by using measured principles of general systems theory, neuroscience of the human brain, and classic spiritual practices to comfort yourself and the system you're in as you discern God's will for your ministry and the mission of your local church.
