Plant a Yard Sign for the Paris Accord

In response to the United States pulling out of the Paris Climate Accord, General Synod passed an emergency resolution entitled "The Earth Is the Lord's—Not Ours to Wreck."

With 16 conferences as sponsors and 97% of delegates voting in its favor, the resolution reflects a denomination in which two recent surveys found that climate is the number one issue of concern for members.

As a tangible act of witness related to the resolution, churches are invited to plant yard signs that declare,

"We [heart] Planet Earth. We Support the Paris Accord."

The graphic for the sign can be downloaded at <http://uccfiles.com/pdf/ParisAccordYardSign.pdf>
