What Is Happening With The Joint Conference Vision and Development Team ?

The Joint Conference Vision and Development Team is currently working on creating new Vision, Mission and Purpose Statements for a possible new Conference, putting together what a new budget might look like and exploring new staffing structures for a possible new Conference. These are being created from the data received from the surveys, PNE and PSE meetings, staff interviews and current data from both Conferences. These will be presented at a retreat led by the JCVDT for the PNE Board and PSE Consistory in March. Feedback will be received and incorporated and drafts will be presented to the PNEC and PSEC Spring Meetings.

A retreat for the PNE and PSE Committee on Ministries is scheduled for Saturday, February 24 at Jordan UCC, 1837 Church Rd.
