The real area of untapped potential in any congregation and community are not the people outside of the church, but the people who are sitting in your pews every Sunday (or every other Sunday). This workshop is designed to equip pastors and lay leaders with modern tools for doing an ancient work; making disciples out of those who are in our care.

To register: Go to psec.org, click on Events & News tab, click on Calendar, click on the event on April 14th and use the link under "website".

There is no fee for this workshop!

You are invited to a
"Money and Ministry" Workshop !

Clergy and lay are invited to join Penn Central Conference and United Church Funds for **Money and Ministry: A Workshop About Generosity in the Church** on **Saturday, April 28 from 10:00-2:30**. The workshop will be at St. Thomas Episcopal Retreat Center in Lancaster. The agenda follows:

Trends in Giving: What Donors Want Presenter: **Scott Shirai, United Church of Christ** Time: **10:30 – 11:30** For churches successfully raising money for their mission, stewardship is no longer just a month-long issue nor is it a simple matter of pointing to the leak in the roof and asking members for help. Stewardship is a year-round experience that embraces a combination of actions and strategies. Join us for practical, hands-on, and proven tips for your congregation's stewardship planning and successful execution.

Lunch 11:45 – 12:30

Planned Giving: Utilizing an On-line Tool of United Church Funds to Get Started Presenter: **Howard Hawkins, United Church Funds** Time: **12:30 – 1:30**

United Church Funds is delighted to introduce our Planned Giving Microsite platform, designed exclusively for the churches and ministries of the United Church of Christ. The Microsite will allow your church or ministry to select a theme and tailor a message that reflects its culture, mission, and objectives to potential donors.

Learn how the Microsite's modular platform can eliminate the mystery surrounding planned gifts by educating donors about the importance of planned giving; how a planned gift today can help to ensure the future sustainability of a church or ministry, and that a donor does not have to be wealthy to make a planned gift.

Roundtable: Sharing Ideas for Year Round Generosity Group Discussion Time: **1:30 – 2:30** Participants are asked to bring their "Best Practices in Generosity" or "Generosity Success" for open discussion. We will compile these in a handout for attendees following the workshop.
