A letter from St. Peter’s UCC in Pine Grove was received thanking the Consistory for the shared ministries grant they received and indicating that they will consider the feedback on their grant application for technology that was not approved.

Treasurer
Ray Edwards’ report was received. He reported that in looking at OCWM over a 3-year period, the national church says PSEC is doing well. Tammie has no concerns regarding the budget and Ray is comfortable with where we are year-to-date. He also commended staff members for being good stewards of the funds.

The endowment draw stands at 5% per year; taken out twice each year.

The Budget & Finance and Endowment reports were approved. (Motion: Barb Guido; 2nd: Lee Metzger)

The proposed 2018 budget was reviewed with explanatory notes by Ray regarding:

• Where appropriate, PSEC 2020 Vision objectives have been assigned to a budget line which funds that specific objective. Also, Restricted Endowment Funds that support specific Annual Budget items are now indicated. For instance, Ursinus campus ministry monies will be directed to UCC-affiliated students attending the school.
• A reduction in the Endowment draw to 4% to help build up equity in the account and offset poor market years.
• 7% increase in dental insurance.
• Conference office rent for 2018.
• Half the amount for GS is allocated during 2018.
• Added a conference-sourced line item for Phoebe.
• Support is included for MIDs and pastoral development.
• The Personnel Committee recommended a 1.5% salary increase for Conference guidelines. This will be applied to Conference staff as well, with an additional .5% merit bonus for a total of 2%. There was a discussion of the process and timing for coming up with the guidelines. The need to improve that process will be determined and plan implemented at the next Consistory meeting. Along with that, the need to communicate with local churches about the factors considered in determining the guidelines.
• An explanation will be added of how the budget supports the 20/20 vision.

The 2018 budget proposal was approved. (Motion: Lee Metzger; 2nd: Anne Cormier)
The results of the electronic balloting on the selection of an auditor was read into the minutes by Jenny Smith. Herbein was approved for the next 3 years by a vote of 11 in favor, 0 opposed and 4 no response.

**Personnel Committee**
Barb Guido’s report was received. The committee recommends increasing the supply pastor compensation to $200 per worship service (travel expenses included) with additional compensation for each additional service. Barb shared that feedback was collected on the conference minister which was uniformly positive.

The committee will be meeting on October 9.

The report was approved. (Motion: Ray Edwards; 2nd: Lee Metzger)

Karl Jones’ written report was approved. (Motion: Bob Stewart; 2nd: Barb Guido)

**PNEC/PSEC Conference Merger**

Through initial conversation the team determined it does not want to merge so much as create something new. They created a survey that will go out in October. They also formed a communications team to determine how best to share progress in a cohesive way.

**New Ministries Fund**

Ray noted that applications are constantly received and reviewed on an ongoing basis.

**UCC Constitution and Bylaws**

Changes to the constitution and bylaws move away from language of collegium and make a number of editorial changes.
The bylaws add information regarding ordained ministerial partner standing for ordained ministers from the United Church of Canada who serve a UCC calling body or ministry.

A motion was passed to approve the national church amendments. (Motion: Bob Stewart; 2nd: Ray Edwards) Note these still need approval of the Conference Body at Annual Fall Conference Meeting.

**UCC “3 Great Loves” Campaign**
The toolkit is out and available. We need a coordinator for our conference to raise awareness and to serve as liaison with the national office.

**Justice and Witness**
A letter from Rev. Leslie Kearney asks for clarification on the role of this team. Do they lead or follow the local churches in terms of social issues? Can they, as a body, sign on to resolutions? What about partnerships with other social justice groups?

Ray sees Justice and Witness as responsible for education/awareness, prayer, as well as speaking up and showing up (advocacy). Jenny felt that the team should be able to advocate a position as long as they state that their position does not necessarily represent that of local churches or the conference as a whole. This was unanimously affirmed by the Consistory. In this manner, they can serve as a role model for local churches. Ray wondered if they should have their own letterhead to avoid confusion about who is advocating a given position. Consensus was to grant autonomy as well as responsibility.

**2017 Fall Meeting**
The meeting is November 18 from 10 to 3 at First UCC, Schuylkill Haven. A motion was approved to direct the collection from this meeting to UCC disaster relief. (Motion: Anne Cormier; 2nd: Barb Guido) We will address the need for offsetting the registration costs of retirees at our next meeting.

**Office Space**
A motion was approved to go to a year-to-year lease at the conference office. It is actually a 3-year contract with the option to cancel at the end of each year. (Motion: Barb Guido; 2nd: Anne Cormier)

**2018 Spring Meeting**
The dates are June 8-10 and negotiations are underway to hold it at Ursinus College.

**Other**
Ray pointed out that the Pension Boards insurance plan does not cover pre-existing conditions. He feels that we should be able to better direct people to their options when they are turned down by the Pension Boards.

The next meeting is November 11 in this same location.
The meeting was adjourned at approximately 12:20 PM. (Motion: Nya Huertas; 2\textsuperscript{nd}: Lee Metzger)

Respectfully submitted,
Jenny Smith
