Join us for the 2020 Clergy Women's Retreat, "Practices Makes Presence" where we will spend time engaged in different spiritual practices. You'll hear the stories of other clergy women about what refuels them and fills their spirits outside of the church walls. Plus you'll get a chance to try your hand at a few different spiritual practices. Enjoy this relaxed time of revival and renewal with the option for a free professional massage too! Our TBA retreat leader will guide our time in-between with discussion and scripture that reflects our efforts to be present pastors by cultivating our own spiritual practices.

Date: January 14th at 4:00 pm through January 16th at Noon.

Location: Mariawald Renewal Center, 1094 Welsh Rd, Reading, PA 19607
