Active Shooter Training Events

Our PSEC ALICE Trainer, Paul Hightower, will be hosting two ALICE Training Events early in 2019. The training workshop will help prepare your church for an active shooter event. ALICE stands for: Alert, Lockdown, Inform, Counter, Evacuate.

The training will include an eLearning component, which will require internet access, that participants would complete prior to the workshop.

Cost of the workshop will be \$25 per attendee. Workshop times will be 9:00 am—12:00 noon.

The two options for this training will be:

February 23rd @ Reformed Church of the Ascension, Norristown

Register at : <https://psecalicefeb.eventbrite.com>

March 9th @ Community UCC, Reading

Register at: <https://psecalicemar.eventbrite.com>

Once registered, attendees will receive a link to take the eLearning component of the class.

Please limit participation from your church to no more than two individuals so that more churches can participate.
