We are excited to announce that Brian McLaren will join us for our 2019 Annual Spring Meeting. Brian D. McLaren is an author, speaker, activist, and public theologian. A former college English teacher and pastor, he is a passionate advocate for “a new kind of Christianity” – just, generous, and working with people of all faiths for the common good. In addition, we will use this time to deepen our relationship with Jesus Christ and each other and to strengthen our gifts to ministry in service to God's people.

Join us Friday as Brian McLaren will begin our journey together. Brian's presentations during the weekend will be based on his book: “The Great Spiritual Migration – How the World's Largest Religion is Seeking a Better Way to be Christian”.

Friday evening we will celebrate our Anniversary Churches and opening worship will feature our own Rev. Cean James, Associate Conference Minister for Congregational Development.

Saturday will be a mixture of Conferring Sessions and attending to the business of the conference, celebrating our Anniversary Pastors and continuing our journey with Brian. The weekend will come to a close on Saturday evening with Brian's closing presentation. Please note, each of Brian's segments although intertwined will stand alone in its presentation.
