

Report of the Treasurer  
to the  
PSEC Spring Meeting 2019

At the Spring 2017 meeting, I presented a report that the trend line showed a 4% annual decrease in OCWM giving. At that time, Conference Consistory authorized a team to study this and to take steps to reverse that trend. I am please to report that when we closed the books on 2018 over 95% of our churches participated in giving to OCWM and that contributions by both congregations and individuals put us over our budgeted goal. This is truly cause for celebration, but the work is not over. The committee continues to hone the avenues by which it communicates the message about the work of the Conference and build bridges between Conference and congregations.

As of this writing, we have not received the auditor's report for 2018. A report will be available at the time of the Spring meeting.

The Budget and Finance Committee meets every two months. A snapshot of the financial are available at the Conference website. If, at any time, you have questions, please contact me at [redwa1106@gmail.com](mailto:redwa1106@gmail.com) or Tammie Wisniewski, Finance Operations Manager at [tammie@psec.org](mailto:tammie@psec.org) or 484-949-8774x304.

Your in Christ and on behalf of the Budget and Finance Committee,

Raymond Edwards  
Treasurer, PSEC
