Sign-up: MA-AUCE Christian Educators Conference

Mid-Atlantic Association of United Church Educators will hold their 2020 Annual Conference "Holistic Faith Formation: Engaging Our Whole Selves" April 27-29 in Mt. Bethel. Join Faith Formation colleagues for three days of learning, networking, and renewal. Workshop topics include Our Whole Lives (OWL); engaging older adults throughout your ministry; becoming a WISE (Welcoming, Inclusive, Supportive, and Engaged) congregation for mental health; and using art for reflection.

We will have times of worship and spiritual practices to both renew ourselves and share with our congregations, and as well as time for fellowship to build and renew connections. For information and to register use the following:

Keeping in Touch!

Often times we forget as we deal with the day to day issues of "running our church" that our church is part of a "bigger picture". The church is part of an Association of churches in a geographic area and those Associations come together to form a Conference. To keep up with the happenings of the Pennsylvania Southeast Conference, there is a weekly electronic newsletter called *eNews*. *eNews* will help you to stay current with local church, conference-wide and national UCC news and events.

To sign up simply go to psec.org. On the home page there is a red banner labeled PSEC weekly eNews. On that red banner is a "subscribe today" button. Simply click that button and follow the directions to stay connected!
