**"You are God's field; God's building."
One Great Hour of Sharing**

Through the One Great Hour of Sharing (OGHS) offering, we are planting seeds of new life.

Together, we are investing in communities worldwide: providing education to girls and boys, empowering communities through vocational training, supporting microcredit lending and seeing people through to self-sufficiency, empowering families with skills to support themselves and their neighbors, and participating in sustainable solutions that offer dignity to all.

These are just a few ways the OGHS offering touches God's children, in addition to disaster relief and refugee initiatives.

Through your generosity, the world is a better place. But more is needed. You have an opportunity to plant seeds into the lives of others. Be a co-worker with God. Building, planting, watering...and trusting that God gives growth to all good gifts shared in faith. Thank you for your partnership. Thank you for your generosity.

One Great Hour of Sharing is one of our 5 for 5 offerings.
