Prayer

God of earthquake, wind, fire, disease and death, tame natural forces that defy control or shock us by their fury. Keep us from calling a disaster or a disease your justice. Help us in good times or in calamity, to trust your mercy, which never ends, and your power, which in Jesus Christ stilled storms, healed the sick, raised the dead, and put down demonic powers. We ask this in the name of our brother and Christ, Jesus. Amen (adpt, UCC Book of Worship, pp. 544-545).
