

## Guidelines for Worship in the Green Phase

### Guidelines for Worshipers:

1. Worshipers should enter only the front door (main door) or door by Pastor's Office.
2. Upon entering the building, sign in on the sheet on the podium. We must have a list of all attendees in case someone contracts the virus and we need to inform others who have attended that Sunday.
3. Use hand sanitizer after signing in.
4. Bulletins and Communion elements (on Communion Sundays) will be on a table at the entrance. Please pick up a bulletin and take it home with you. Empty Communion cups should be placed in the trash cans near the exits when you leave.
5. Offering will not be received during worship. A plate will be at the entrances and offering should be placed there.
6. Cell phones must be turned OFF throughout the service (not just on silence). We are going to try to livestream our service for those who cannot attend, and cell phones drain our internet signal.
7. Worshipers are asked to wear face coverings throughout the entire service and to maintain 6-foot physical distancing.
8. An usher will help you find an appropriate seat in the Sanctuary. Every-other pew in the Sanctuary will remain empty and we will stagger the seating of people. Households may sit together.
9. Worshipers should enter the Sanctuary through the center aisle and exit by the side aisles, being dismissed one pew at a time. Those needing to use the door by the Pastor's Office should remain until others have been dismissed.
10. Worshipers are asked to remain in the Sanctuary or Narthex except to use the rest rooms.
11. The Passing of the Peace, the Anointing, and Congregational Singing will not be a part of the service. Words to hymns will be printed in the bulletin and congregation members can follow the words as the hymns are played and may hum the tunes.
12. All hymnals, Bibles, and pencils will be removed from the pews (since they cannot be properly sanitized afterwards). If you wish to follow the scripture in a Bible, please bring yours from home.
13. Air conditioning will not be used during the service. Windows will be opened and exhaust fans will be used to cool the Sanctuary.
14. At the conclusion of the service, please do not congregate inside the church building.
15. While all are welcome in worship, we ask that you stay at home if you are ill.
