

UCCVF Needs and Offers

We are a community with many gifts and talents that we use to uphold each other in troubled times. But figuring out who has needs and who has time and talent isn't always easy. We developed this form to help us better respond to needs and connect with those who can help.

The form asks you to list a need(s) and/or an offer(s) of assistance after some initial information about you. The information submitted will be overseen by (our Elders? Task Force??). We will work to keep any needs listed confidential.

We request that all participants maintain recommended health precautions (e.g., wash your hands!) and proper social distancing (6 feet!!)
