Introducing Three Great Loves Stewardship Materials

Three Great Loves expresses the core commitments of the United Church of Christ as we live out Jesus' call to share God's love. Across our Christian movement, we embody God's love in three ways:

- Love of Children
- Love of Neighbor
- Love of Creation

The ways we share God's love in any one congregation may not look the same as the ways another United Church of Christ congregation witnesses to God's love. Our priorities may differ. But we're united in a shared commitment to be God's hands and feet in making a more just world for all.

The Three Great Loves Stewardship Materials help congregations tell their story of expressing God's love while making a request for financial support.

Available from uccresources.com, these materials provide all that a pastor and leaders need to run an effective campaign:

Bulletin Inserts with compelling stories of how we love in the UCC and a worship folder for use each week.

Pledge cards in a variety of formats (single commitment, double commitment, etc).

Graphics for use on websites and to share via social media platforms plus letterhead and envelopes for mailings.

Campaign Resources such as a committee calendar, templates for letters, directions for testimonials, and worship resources all to help your campaign tell the story your congregation's love.
