Planned Giving to Support Mission and Ministry -

While a significant wealth transfer occurs (and will occur) in our country as our eldest generation passes, many congregations and ministries remain unprepared to promote planned giving options among their members. Only 5% of people leave a charitable bequest even though nearly a third of people would if asked or invited to consider one. Through this webinar, you will learn key concepts and create an actionable plan for your congregation or ministry. **Registration link to be supplied closer to event. Mark your calendar now!**

January 20, 2021, 10-12pm: Spirituality of Generosity -

Jesus talked about money second only to the kingdom of God, yet many in the church today treat money as a non-spiritual topic. We can theologically engage questions of money, wealth, and giving. Teaching and preaching about generosity and the use of our financial resources can deepen the faith life of our congregations. Gathering together with other pastors, this webinar will help you reclaim money-talk as a faith formation conversation with the members and friends of your congregation. **Registration link to be supplied closer to event.
