Next Computer-side Chat on Local Church Profiles

PROFILES!!!

Why do we have to do them?

How do we start?

How honest do we have to be?

Are they only good for the search process?

Many congregations don't even think about a Congregational Profile until they have to do one. There are many pieces to consider and it can seem like an arduous task.

Join Rev. Dr. Susan Minasian on January 12 at 7:00 pm for a conversation that just might change your mind. We will also explore how useful that document can be for the life of your ministry beyond the search process.
