Virtual Hospitality –

Developing a Welcoming Atmosphere For Online Church

This session is being offered two different times:

**Feb. 6th and Feb. 13th (the same information will be presented at both)
 10:00 am—12:00 noon
 via Zoom**

Facilitator: Rev. Cean James

Did you know that most church remembers report that they are more comfortable inviting a friend or family member to online worship than in-person worship? Virtual church provides a wonderful opportunity to invite new people to experience your church from the comfort of their homes. It is also important to make sure that you recognize and welcome people when they join your online community for the first time. This workshop will explore ways that we can all be both invitational and welcoming in this “new normal” of congregational life.

This seminar is paid for by your OCWM contributions!
