## Copyright Concerns for Ministries

During these challenging times, ministries rely heavily on the virtual environment and various electronic mediums to share the printed forms of inspiring poetry, quotes from prayer books and daily affirmations, as well as words from songs during worship and through other forms of ministry. As a result, some ministries have been shocked to discover they are actually in violation of copyright infringement; join us as Heather Kimmel General Counsel, United Church of Christ, offers valuable information on how to help your ministry avoid this situation.

## UCC issues appeal for Hurricane Ida recovery

More than 20 U.S. states from the South to the Northeast are reeling from the impact of Hurricane Ida and its sizeable remnants with catastrophic water and wind damage, including significant power outages. Both short- and long-term recovery needs will be massive, with damage estimates in the billions of dollars.

UCC Disaster Ministries issued an appeal to help support recovery. For more info or to contribute, go to:
