**Connect,  
Reconnect,  
Staying Connected**  
w/ Rev. Cean James

**Building and Maintaining Fellowship  
during the prolonged Covid Pandemic**

Are you prepared to admit that the Covid pandemic is going to last a lot longer than we thought? If so, then you are also prepared to admit that what we have lost the most in our congregations is our spirit of fellowship and connection.

Here is another question; are you crazy enough to believe that God will always provide a solution to every problem?

This workshop will explore the various ways that churches are,

1. Creating new connections
2. Reconnecting with those who fell away,
3. Maintaining connection with the faithful, during this pandemic.

Bring what has worked for you and hear what is working for others.
