Working with Children, Youth and Vulnerable Adults: *What Pastors and Lay Leaders Need to Know about Child Sexual Abuse Prevention in the Congregation*

Topics include:

- Child Sexual Abuse Prevention 101 -- What it is, what are the dynamics.
- Mandated Reporting in PA – The basics of what and how-to, including clearance requirements.
- Making church a positive place of survivors of child sexual abuse.
- What to consider if including known offenders in the congregation.
- What all of this means for the personal boundaries of the pastor or other church leader.
