Message from Kentucky Regarding Disaster Support Items

On behalf of the UCC I have been on the daily Kentucky Voluntary Organizations Active in Disaster calls. They asked that I report that **they are overwhelmed with donation items and do not have the ability to accommodate any additional items.**

Again — They have asked that we communicate with our networks — **please do not send more items.** They are pleading that we do all we can to stop the donations of items that are pouring in with no place to be stored. All the local donation sites are overflowing. This has now become the second disaster. They suggest selling the items locally and sending funds to help, if possible. Spread the word that — Cash is BEST.

Donations to help support the UCC's work in supporting disaster recovery can be sent to PSEC. Indicate "Kentucky tornados disaster" in the memo line of a check or use the "Special Support" section of the online donation page.
