“Living the Jesus Life — Contemplatives in Action” is the theme of this year’s Annual Spring Conference meeting. We intend to meet in person for a time of soulful recovery and revival amid the exhaustion created by the pandemic and the new realities to which we’ve had to adapt. Spiritual practices (prayer, meditation, scripture study) and active living (ministering to the needs of our communities) unite us for a weekend of living together the Jesus life.

There are currently no COVID related restrictions for attendance at this meeting. We are following CDC guidelines for large group gatherings. Should those guidelines change, our meeting restrictions will change accordingly. We will keep you updated via our website and PSEC eNews.
