From the Conference Minister:

“It’s easy to lose sight of God when you’re doing God’s work.” This was the first of many warnings from a wise mentor who sent me off to parish ministry. He was right, of course. It is easy to lose sight of God when you’re doing God’s work. I regain my sight in the company of trusted colleagues and friends. My sight is restored, too, during Conference worship, retreats and meetings.

We are a month away from our Annual Spring meeting. After two years of on-line meetings, I am anxious to be in-person (there is an online viewing option for worship and conferring sessions) and excited about our meeting theme, *Living the Jesus Life—Contemplatives in Action*. I need this gift of soulful recovery and revival amid the exhaustion created by the pandemic and everyday ministry challenges. I suspect you do too.

Living the Jesus Life is simply about joining with Jesus’ teaching, healing, and solidarity with others in a life of prayer, worship, and intimate experiences of the Holy. Jesus often went away from the busyness of the crowds to be at one with God. This enabled his public witness, formed disciples, created inclusive community, exemplified self-giving love, and nonviolent resistance. His life of integrated contemplation and action is the model for our living and our Annual Meeting. Spiritual practices (prayer, meditation, scripture study) and active living (ministering to the needs of our communities) unite us for a weekend of living together the Jesus life.

I look forward to seeing you in West Chester.

Blessings,

Bill
