Lay Leadership Support Group Meeting Online

A Lay Leadership Support Group has been formed for Consistory Presidents as well as those serving on Consistory. We will be gathering once a month, on a Saturday morning, on Zoom – so please join us !

We have found it to be a great place to form new friendships, to gain support, and to be educated on a variety of topics concerning our churches. The discussions are centered around sharing valuable information about what our churches are doing or maybe could be doing.

Our next meeting will be online November 19, 10am—12 noon. Registration is free. Register at: <https://psecdayleadnov.eventbrite.com>
