Caring for Our Neighbors

Craig Poole

The DoubleTree Hotel by Hilton in Reading, Pennsylvania, under the leadership of its General Manager, Craig Poole, has initiated a policy of hiring local people of various needs. In one of the poorest, most crime-filled cities in Pennsylvania, Craig sought persons who felt hope for their city and gave them the opportunity to not only change their own lives, but people's lives in the city. From recent immigrants and formerly incarcerated, to persons facing economic difficulties in hard times, the DoubleTree has demonstrated a caring attitude toward our Reading neighbors and has provided a model of corporate responsibility for community development.

Craig Poole has been named AHLA General Manager of the year and is President of Reading Hospitality Management - Doubletree by Hilton. Under his leadership, The Doubletree by Hilton in Reading is not only the top-rated Doubletree in the world with a perfect 5-Bubble review score on Tripadvisor, but it also is one of the highest rated hotels in the entire state.

Spirit on Tap's purpose is to encourage theological discussion, explore alternative views, and stimulate dialogue around issues of faith, spirituality, and current social issues. There is no charge and all are welcome.

Spirit on Tap is sponsored in part by the DoubleTree Hotel by Hilton and by individual contributions.
