The Racial Justice Team wants to hear from you!

Let Justice roll down like waters, and righteousness like an ever-flowing stream Amos 5:24

Dear Colleagues,

You most likely have seen information from the PSEC Racial Justice Team. One of the purposes of the Racial Justice Team is to be a resource for our pastors and local congregations in an effort to promote and increase engagement in racial justice work.

The Team hopes the work we have done through The Zachariah Walker Racial Justice Initiative, symposiums, book studies, prayers, and worship resources has been helpful to you and your ministry. If you would like to know more about our work, please visit the Zachariah Walker Racial Justice Initiative on the PSEC website.

We would like to hear about how you are addressing racial justice in your ministry setting and local congregations. We want to celebrate all that you are doing and to hold your ministry in prayer. Please let us know about it by emailing Rev. Dwayne Mosier at damosier@comcast.net to tell us about your work with racial justice.

Facilitators sought for table discussions at Spring Meeting

In the evaluations of last year's annual meeting there were requests for time to bring together like-minded individuals.

The planning team has heard this request and although our schedule is already extremely tight, it was decided that lunch time, and the round tables in the dining hall, would make for perfect, relaxed spaces to begin these conversations.

The next step is finding individuals with passions they want to share by leading these conversations. So, we are seeking anyone who is willing to take a topic and lead open discussions around that topic over lunch Saturday afternoon.

Topics could range from "pastors under 40", "how do I help my church become ONA", "LBGTQ", "Consistory Presidents", etc. There is no limit.

IF YOU have a topic and you are willing to lead that discussion during the lunch hour, please reach out to Susan at the PSEC office at susan@psec.org.
