## Lay Leadership Support Group Join via Zoom Saturday, August 26th

A Lay Leadership Support Group exists for Consistory Presidents as well as those serving on Consistory. We gather once a month on Zoom – so please join us!

We have found it to be a great place to form new friendships, to gain support, and to be educated on a variety of topics concerning our churches. The discussions are centered around sharing valuable information about what our churches are doing or maybe could be doing.

This meeting will be online to make ease of attendance for all!

To register go to [psec.org](http://psec.org) and click on “Calendar” under the News & Events tab and click on August 26th for information and the free registration link.

## UCC Stewardship Workshop

### Narrative Budgets: Telling Your Story by the Numbers

A narrative budget translates the line items of a traditional budget into a story of how your congregation makes a difference in the world. It can be a helpful tool for a stewardship campaign or annual meeting. By telling the story of our congregations’ impact, we can inspire generosity in our donors.

**August 23 @ 7:30 pm - 8:30 pm**
