Welcome to the Spring Annual Meeting of the Pennsylvania Southeast Conference of the United Church of Christ—the second to last meeting of our historic Conference! We will gather in faith, fellowship, and forward-thinking mission. This year, we celebrate our shared commitment to God’s calling, exploring new opportunities for ministry in the Keystone Conference, and strengthening the bonds that unite our churches and people in service and love. Come to a time of worship, learning, and collaboration to inspire your faith in the abundant grace that keeps this world.

Documents for the meeting will be posted no later than April 30th.

Any questions or issues with registration, please contact Susan at the PSEC office at 484-949-8774 opt. 1 or at susan@psec.org.
