## Share Your Memories of Your Time with PSEC

We have received some wonderful memories, from ordinations to marriage proposals. Now, it is YOUR turn!

Please share memories from your time in PSEC—the ups, the downs, the moments you will never forget. These memories will be shared in the upcoming months in eNews and Communitas, at our final Conference meetings and combined together in a digital format (fit for printing). Please limit your submission to no more than 400 words, and send it to Sue Creswell ([susan@psec.org](mailto:susan@psec.org)).

We are also asking you to share your photos. Deadline for the photos is September 30th. The photos will be placed into a slide presentation to be shared at our closing meeting. Let's close this chapter in our life together by remembering the moments and people that formed us.

Please do not assume we already have pictures of your special memory!

## From the Addiction & Recovery Taskforce: May is Older American month

We generally think of drug addiction as an issue for the young and middle-aged, however it can be a problem in the elderly. The number one cause for admission to treatment for this age group is alcohol. In addition, most seniors are on a variety of medications, including narcotics, to control pain from a number of diseases.

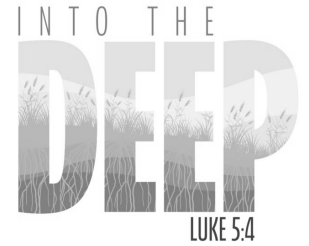

## General Synod 2025 — July 11-15, 2025

As the dates for the 35th General Synod draw near, more information is being loaded to the General Synod website.

In addition to the Motion to join the four PA UCC Conferences into the Keystone Conference, there are 3 Prudential Resolutions and 5 Resolutions of Witness.

In addition there are proposed Constitution and By-Law changes.

You can find the proposed agenda, and all items mentioned above at [generalsynod.org](http://generalsynod.org).
